**AFFIDAVIT OF OLIVER RICHARD ASTLY UNDER 37 C.F.R. §1.132**

I, Oliver Richard Astley hereby state:

1. My name and address are as follows:

Oliver Richard Astley  
45 Jamison Drive  
Clifton Park, New York, 12065

2. I am presently employed as an Electrical Engineer with General Electric Global Research of Niskayuna, New York.

Serial no. 10/692,450  
Affidavit of Oliver Richard Astley  
Page 2

3. Along with Ajay Kapur and Boris Yamrom, I am named as a co-inventor of the invention described in U.S. Patent Application Number 2003/0149364, cited in the Office Action mailed on January 12, 2007 in connection with the patent application referenced in the caption to this affidavit; and we three are named as co-inventors on the present patent application referenced in the same caption.

4. I hereby declare that any invention disclosed in the former reference that may also be disclosed in and claimed in the present application was made by Mr. Kapur, Mr. Yamrom and/or myself and is therefore not an invention "by another", and that any use of such invention in the present application was based upon our contribution to the presently claimed invention.

5. I further declare that all statements made herein are of our own knowledge are true and that all statements made on information and belief are believed to be true, and further, that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. §1001, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this verified statement is directed.

Dated: JUNE 12, 2007
